50/50 winner: Al Lynk \$25.00

1 - 25 Lewis Results: Al Lynk, Gary Tviet, Luke Gray \$13.00 ea.

Try the 1-25 Lewis, there were two others who shot 25's on the 1st round out, but did not play, take a chance.

If you think you can shoot a 25 straight on the 1st round out, not only do you get a box of shells from the league, but you can also get a share of the 1-25 Lewis pot. Each week, the pot will be divided equally (whole dollars only) among those playing the lewis who shoot a 25 straight on their 1st round out. Winners will be listed in the scoring results and can receive their payouts at the next shoot. If there are no 25's recorded on the 1st round for those playing the lewis, the pot will be carried over to the next shoot and remain open for anyone who wants to play.

Score corrections made per secretary's review of weekly results:

Shooters please remember you must shoot the day's score first, then shoot your makeups. Once you start shooting for makeup, you cannot go back and shoot for that day's score.

REMINDER TO SHOOTERS:

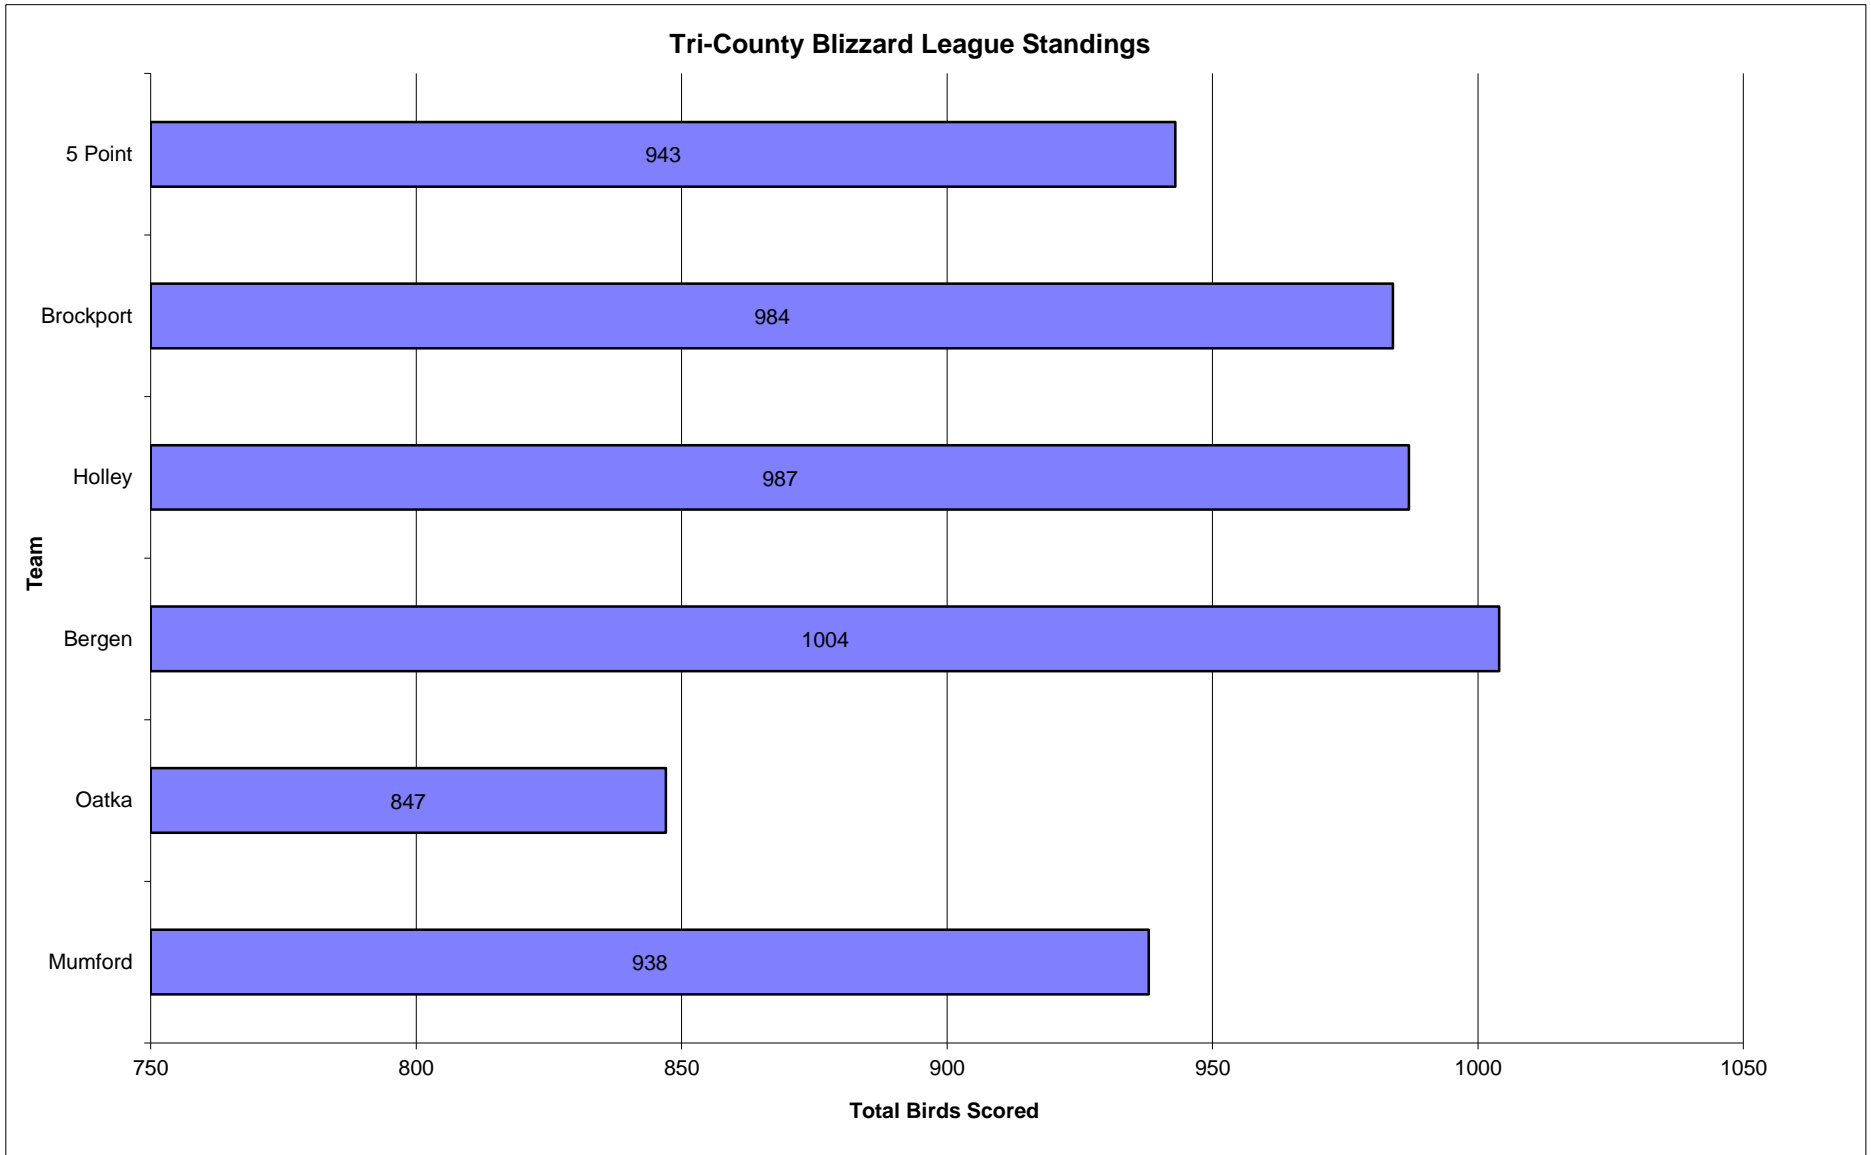

You are responsible to confirm your scores are correctly posted !!!!!!!!!!!!!!!!!!!!!

!!!!!!!!!!!!!!!!!!!! PLEASE CONFIRM YOUR SA/ MU ARE POSTED CORRECTLY !!!!!!!!!!!!!!!!!!!!!

Beware All : You must post 8 scores to qualify for Trophy Shoot.

Make-ups must be made at the next shoot attended or the opportunity is lost.

****You can shoot more than one make up at that next shoot (you could make-up up to 3 missed shoots in a row at the next shoot attended)*****
